### iPhone 3G / 3GS Say What? Cases

★★★★★ (8 customer reviews) | write a review CM010230 | SHARE

Your friends were all buying new iPhone cases last week at the mall, but you couldn't find your favorite. Everything the store had was the same old super lame junk. Mix it up with the Say What? case from case-mate. With 10 cool emoticons and hot phrases, you can say whatever you want, whenever you want. And in addition, the clear polycarbonate case comes with rubber accents to protect your device. Why settle for one boring design when you can keep your phone fresh with 10 different ones?

**Features:**

- Includes 10 interchangeable and reusable expression or emoticon stickers
- Choose from two different styles – speech bubble & check out window
- Unique polycarbonate shell and rubber trim combination completely protects iPhone 3G / 3GS
- Complete access to all ports and buttons
- Screen protection kit included protects your iPhone 3G / 3GS
